TREATY ON COOPERATION

October 11, 2019

Kuban State University of Physical Education, Sport and Tourism (Russia) represented by its Rector professor Akhmetov S.M. on the one hand and Kazakh academy of sport and tourism, represented by its Rector, professor Zakiryanov Baurzhan Kairatovich, on the other hand concluded this Treaty based on the university statutes.

1. It is supposed that mutual efforts on the part of the two universities will contribute to the solution of the following tasks:
   - Creation of favourable conditions for intellectual, moral, emotional and physical development of learners, all – round and comprehensive development of their abilities.
   - Further elaboration of theoretical and practical scientific-educational technologies, their scientific – methodical and informational provision and introduction into the system of training specialists during the whole period of education.
   - Creation of conditions for forming balanced research issues of the universities in the interests of developing their scientific – methodical potential
   - Organization of effective teaching staff activity.
   - Provision of synthesis of science and practice, integration of educational and scientific structures.
   - Selection of young talented scientists, preparing them for research and pedagogical activity.
   - Broadening and maximum use of the informational-educational resources both for students and for professorial teaching staff.
2. The two Parties have agreed as follows:

2.1. To exchange informational materials that are at their disposal;

2.2. To hold meetings (seminars, discussions, disputes) at least once half a year involving individuals and organizations to discuss the realization of tasks and actions agreed;

2.3. To implement joint vocational, moral and physical upbringing of students.

2.4. To hold joint cultural- educational, sport and health – related and some other events both with students and professorial – teaching staff;

2.5. To use (on the basis of coordinated agreements between the two Parties) lecture – halls, science – laboratories, library funds, sports facilities and other informational resources with regard to the effective improvement of the tuition process and scientific – research activity as well.

2.6. To organize joint Dissertation Boards on defending Master, Candidate and Doctor Degrees, scientific – methodical Councils, joint author groups.

3. The Treaty presented is the basis for concrete agreements concerning the research work, delivery, free of charge use, etc.

4. Educational-methodical events and those dealing with upbringing, that require financial expenditures, are based on agreements taken apart.
5. Controversies taking place between the Parties are examined by the conciliation commission consisting of the both Parties representatives.
6. The Treaty shall remain in force for 5 years from the date of its entry into force.
7. Each of the Parties may withdraw from the Treaty in case of systematic violations of its terms by the other Party.
8. The Treaty shall be automatically extended for further 5 – year period unless any Party claims to cease its participation in the Treaty a month before the date of its expiry.
9. This Treaty is executed in two originals – one per each Party. Both originals are intended to be equally legally binding.
10. Any changes, amendments or supplements to the terms and conditions of this Treaty shall be valid only if set forth in a written document duly signed by authorized representatives of both Parties to the present Treaty.
