Requirements for the design of materials for publication

General requirements. Conference materials in the form of an abstract must be completed using the software capabilities of Microsoft Word with the extension .doc (.docx), Times New Roman font, size 14, margins 2.0 cm on all sides, paragraph indentation - 1.25 cm (paragraph indentation using the "space" and "tab" keys is not allowed), spacing 1,15, text alignment by width. Sealing intervals is prohibited. The initials in the text and references are connected by a "non-breaking space" - I. I. Ivanov). The volume of materials is up to 5 pages of A4 format.

Line-by-line design of materials:

1. UDC (capital, left alignment, font size 14 pt);
2. Title of the article (capital letters, bold letters, center alignment, font size 14 pt) (in Russian and English);
3. Initials, Author's surname, academic degree, academic title, position (center alignment, font size 12 pt) (in Russian and English);
4. Organization name (in full), city and country (center alignment, font size 12 pt) (in Russian and English);
5. Annotation. It should be in Russian and English, include a description of the main topic, the scientific article issue, the purpose of the work and its results. The annotation indicates what is new in comparison with others related in subject matter and purpose. For English-speaking participants English variant is possible. The volume of the abstract is up to 120 words (italic font, justified alignment, font size 12 pt);
6. Keywords. Both single words and phrases in the singular and the nominative case, separated by a comma can be used as keywords. The recommended number of words is from 5 to 7 (italic font, alignment in width, font size 12 pt) (in Russian and English);
7. A list of references. References are obligatory (from 5 to 7 sources), completed according to the GOST P7.0.5-2008, Times New Roman font, size 12 (an example of design is attached).
8. The text can include graphic images and tables in black and white, for which it is necessary to indicate their location in the article with links, for example - Fig. 1, Fig. 2, Table 1 in word format.
9. The originality of the text when analyzed in the Antiplagiarism system is at least 70%.
10. Responsibility for the quality of translation into English of separate parts of the article lies with the author of the publication, the use of automatic machine and online translators of texts is unacceptable.
11. Articles received by the Organizing Committee later than August 5, 2022 or those do not meet the above requirements will not be published.

Example of article design

UDC:XXX

UNIVERSITY OLYMPIC EDUCATION: CONTENT AND IMPLEMENTATION

I.I. Ivanov, Candidate of Pedagogical Sciences, Associate Professor

Federal State Budgetary Educational Institution of Higher Education "Kuban State University of Physical Education, Sports and Tourism", Krasnodar, Russia

Annotation (120 words).

Keywords (5-7 words).

Text (in width)

References:
